October 2017

Dear Parent/Carer

The Science Department has been fortunate enough to be awarded places for the Chemistry at Work event, organised by the Royal Society of Chemistry and the Institution of Chemical Engineers, at London Cruise Terminal, Tilbury RM18 7NG on **Thursday, 19th October 2017**.

The purpose of the event is to inform students about careers in chemistry-based professions - with practising chemists, chemical engineers and pharmacists giving talks about their jobs and careers. Your daughter has been selected to attend as a result of her interest and performance in chemistry.

Science

We are able to subsidise this trip; as such it will be free of charge. We will travel from school in the school minibus departing WHSG at 8.40am and returning at approximately 2.00pm, when students will be expected to attend Period 5 as usual.

Engineering

Your daughter should wear school uniform and bring a packed lunch with her (no glass bottles please) as there are no refreshments available at the venue. She should also bring a coat as the building can be cold. All students are expected to bring a standard earpiece/headphone set. Two of the speakers will be using radio-mikes & individual audience receivers to overcome the poor acoustics in parts of the venue.

Please return the reply slip below, giving permission for your daughter to attend and confirming that you understand the arrangements.

Yours sincerely

D Vaughan
