Dear Parent/Carer

GCSE Drama Rehearsals 2017-2018

Your child has two GCSE Drama practical exams in the next academic year.

These are very important exams that will count towards their GCSE. They will be creating and performing an original piece of theatre which will be marked, filmed and sent off to the exam board. They will also be performing a scripted piece to a visiting examiner.

The Drama Department will be running extra rehearsal sessions **Friday after school from 15.30-17.30** and **Wednesday lunch time 12.30 – 13.10**.

Although students do not have to attend these rehearsals every week, there will be times in the year when, just as doing revision or homework in other subjects, if students do not put in the time then they will not achieve as highly as they could. I understand that students lead very busy lives and may travel a substantial distance to get to school and thus, I thought it was important for students to put this commitment in their diary early on.

The times of the year when students will be required to attend drama rehearsals are detailed below:

- 4th September to 20th October
- 3rd January to 29th March

It is important to mention that these rehearsals will clash with the band rehearsals for the school musical. Unfortunately, this is unavoidable. If your daughter wishes to be in the band, please can they come and speak with their drama teacher as soon as possible.

Thank you for your support.

Yours faithfully

Miss R. Collins
