February 2018

Dear Parent/Carer

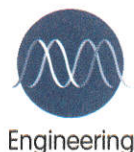

ADDITIONAL lessons for the second half of this term are now open and available on ParentPay. The **deadline for this payment is Thursday 15<sup>th</sup> February** to allow for the timetables to be completed by the beginning of the half term.

These lessons are for students starting new lessons. Do not make a payment if your son/daughter is already receiving lesson in the chosen instrument.

Please select the length of lesson that you prefer (20, 30 or 45 minutes) and write your preferred teacher and instrument in the comments. Please complete this information even if you are continuing with lessons as it makes the administration quicker and more accurate. If your son or daughter takes more than one lesson, please update the quantity as appropriate:

20 mins = £ 62.50  
30 mins = £ 93.75  
45 mins = £137.70.

Please note : lessons are not confirmed until **payment** has been made even if a contract form has been signed and returned.

Finally, individual lessons in Aural, Sight-Reading and Music Theory are available in addition to all of our usual instrumental lessons. These are an excellent way of supplementing your son or daughter's instrumental lessons, as well as better preparing them for graded examinations. Payment for these should be made in the same way as instrumental lessons, but state "Aural & Sight-Reading" or 'Musical Theory' in the notes section.

Please feel free to call the office in advance if there are any issues with payment.

Yours sincerely

Miss R Morrison  
Head of Music
