

## MEDIA PERMISSION FORM

Dear Parent/Carer

We will be using our school Facebook page to update you about upcoming events, to share photographs and information about the great things that our students have been up to.

Our page can be found at <https://www.facebook.com/WestcliffHighSchoolforGirls/>

We are writing to seek permission for photographs of your child to be uploaded onto our page. We consider online safety and privacy to be a priority and will only ever use or share images, of or information about, your child in an appropriate way.
