2017 A-level results

17th August 2017

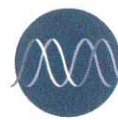

This summer, Westcliff High School for Girls students have achieved another good set of A Level results with 80.5% of results at grade A* to B.

This set of results is in line with those of previous years and has allowed the vast majority of sixth form pupils to secure places at the universities of their choice.

Headteacher, Paul Hayman, said "We are proud of the achievements of all of our students. I would like to offer them warmest congratulations and, on their behalf, thank all the teachers for their contribution to making these results possible".
